

PRESIDENT'S MESSAGE

I wish to thank the membership for allowing me to serve as your president during the upcoming 2007-2008 term. I am extremely fortunate to have a very capable board and committee chairs. Work has begun on insuring a successful year.

The September Meeting Notice accompanies this letter. It demonstrates the quality of presentations you can expect throughout the year. Our program chair, Kate Campbell has been busy scheduling speakers for this and subsequent meetings.

Our technical chairs, Wayne Kraus and Tim Miller are preparing for our fall technical sessions, INDUSTRIAL COATINGS RESEARCH BOUNDARIES. The meeting will take place on October 11, 2007. Details can be found on our website, www.psct.org.

As always, your comments are welcomed. Please feel free to email me, sschmidt@ewkco.com, with any suggestions you have to improve our group.

We look forward to see you at the upcoming meetings.
